FAQ 01

Foreigners can own property

There are 3 rules

1 **Above the ground floor**
The ground floor cannot be in your name

2 **Up to 70% per building**
Check the foreign quota left

3 **Strata title required**
The national ownership certificate

Foreigners cannot own land in their own name

FAQ 02

How buying works 6 steps

1. **Booking**
   Fee of $500 to $2,000

2. **Down payment and contract**
   20% to 30% of the price

3. **Instalments**
   During construction

4. **Balance**
   40% to 50% at handover

5. **Handover**
   Inspect, then collect the keys

6. **Title**
   Registered in your name

FAQ 03

Costs beyond the price

When you buy

Transfer tax	4%
Lawyer	$500*

While you own it

Property tax	0.1% a year
Building management	$1 to $2/sqm a month
Rental income tax	14% abroad, 10% resident

Depends on the project

Furniture	some units come furnished

The booking fee and down payment are part of the price.

*The usual fee in Cambodia. A Japanese lawyer may cost more.

FAQ 04

What comes off the rent

Tax	**14%** living abroad (residents 10%)
Building management	**$1 to $2** per sqm a month
Empty months	**about 10%** a year

You keep = rent − tax − fees − vacancy

FAQ 05

You can buy from abroad

No need to travel

1 **Arranged online**
Unit, questions and transfers

2 **Signed by hand**
On the originals, no e-signature

3 **Originals by courier**
DHL or similar, the seller signs too

A power of attorney is possible, but more involved
